

NSVA MEETING Tuusula, Finland October 7-8, 2019

Dear Friends,

We warmly welcome you to NSVA 2019 two-day scientific meeting in Finland. We hope the meeting will be educational and provide a good chance to get new ideas in diagnostics and treatment of vascular anomalies and to have possibility for inspiring discussions.

*With kind regards
On behalf of Helsinki Vascular anomaly team*

*Päivi Salminen
Director of Rare vascular anomalies program
Helsinki University Hospital*

Meeting venue

The meeting will be held near Helsinki in Gustavelund (www.gustavelund.fi/en), fifteen minutes' drive from Helsinki-Vantaa Airport and 30 minutes from Helsinki. Address Kirkkotie 36, 04310 Tuusula. Tel +358 9 273751, reception@gustavelund.fi

PROGRAM

Monday October 7, 2019

9.30 Registration, refreshments, coffee and tea

Session 1 Classification of vascular anomalies and update of VASCERN and VASCA

10.00 Welcome
Update on the ISSVA Classification (2018) of Vascular Anomalies
Dr Päivi Salminen, Helsinki University Hospital

10.10 Update on VASCERN and VASCA activities
Prof Miikka Vikkula, de Duve Institute, UCLouvain, Brussels

Session 2 Arteriovenous malformations

Chair Dr Pia Vuola, Helsinki University Hospital

10.30 Cervico-facial AVMs – what changes in our treatment approach in 2019
Dr Annouk Bisdorff, Prof Benoit Faucon, Lariboisiere Hospital, Paris

11.30 Helsinki approach to AVMs
Dr Kimmo Lappalainen, Helsinki University Hospital

12.30 Lunch

13.30 Multimodal treatment of AVMs
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels

14.30 Do you recognize CM-AVM?
Prof Miikka Vikkula, de Duve Institute, UCLouvain, Brussels

14.45 Refreshments, coffee and tea

Session 3 Clinical cases, tips and tricks

Chair Dr Kristiina Kyrklund, Helsinki University Hospital

15.00 Facial AVM, Nader Ghaffarpour, Karolinska University Hospital

Large AVM of the scalp
AVM of the mandible
Alexandros Rentzos, Sahlgrenska University Hospital

Operative treatment of two AVMs in lower extremity
Erkki Tukiainen, Helsinki University Hospital

Strange renal AVM and complication to embolization, Susanne Frevert,
Rigshospitalet, Copenhagen

Venolymphatic malformation, Viveque Egsgaard, Odense

16.15 General Assembly

Tuesday October 8, 2019

Session 4 Clinical Pharmacology

Chair Dr Päivi Salminen, Helsinki University Hospital

9.00 Translational research and personalized medicine
Caroline Heckman, PhD, FIMM Institute for Molecular Medicine

10.00 Pharmacogenetics
Prof Mikko Niemi, Clinical Pharmacology, University of Helsinki

11.00 Refreshments, coffee and tea

11.30 Safety profile and side effects of sirolimus
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels

12.00 Long-term experience of bleomycin in oncology
Dr Rita Janes, Helsinki University Hospital

12.30 Lunch

Session 5 Clinical cases, tips and tricks, controversies and complications
Chair Dr Kristiina Kyrklund, Helsinki University Hospital

13.30 Unintended positive effect of medical treatment in a severe venous malformation of the pelvis.
Large benign vascular tumor of the pelvis
Rune Anderssen, Oslo University Hospital

Embolization of suspected RICH
Alexandros Rentzos, Sahlgrenska University Hospital

Kaposiform hemangioendothelioma resistant to sirolimus
Hanna Hyvönen, Helsinki University Hospital

14.30 Differential diagnoses of vascular anomalies
Prof Laurence Boon, Cliniques Universitaires Saint-Luc, Brussels

15.00 Clinical cases, tips and tricks

Central conducting lymphatic anomalies
Pär Gerwins, Uppsala University Hospital

Atypical KTS
Pål Bergan, Oslo University Hospital

Extensive venous malformation of the head and neck, treatment recommendations and options?
Laura Mäkinen Helsinki University Hospital

15.45 Closing

Case presentations

- please prepare a Power Point presentation max 5 min, max 5 slides, please prepare 1-3 questions to the audience in advance, 10 min discussion for every case. Please remove all patient identification data from your presentation.

Registration

Registration by email to eeva.castren@helsinki.fi
