- 4) By air to Oslo Airport >> Taxi from Airport to Holmen Fjordhotell (140 Euros, 60 minutes and may be more Monday morning)

**Program (updated 23.09.2022):**

**Monday September 26<sup>th</sup>**

- 09.30 - 10.00    **Arrival / Registration / Coffee ++**
- 10.00 - 10.05    **Welcome - Rune Andersen, Oslo University Hospital**
- 10.05 - 10.35    **Update ISSVA classification.**  
  
Paolo Gasparella (MD), Senior Consultant, Department of Pediatric Surgery, University Hospital Graz, Austria.
- 10.35 - 10.55    **Patient Registry for Vascular Anomalies**  
  
Therese Halvorsen Bjark (MD), Senior Consultant, Department of Plastic Surgery, Oslo University Hospital
- 10.55 - 11.25    **Presentation of QoL study on Vascular malformations and OVAMA project**  
  
Sigurd Berger (MD), Senior Consultant, Department of Interventional Radiology, Oslo University Hospital
- 11.25 – 11.45    Coffee break
- 11.45 – 12.10    **Patient organisations and networks.**  
  
Caroline Van Den Bosch (ePAG Co-Chair for VASCA), Board member HEVAS (*Patient organization for hemangiomas, vascular anomalies and overgrowth syndromes*) Haag, The Netherlands
- 12.10 - 12.40    **Patient Cases on Vascular Anomalies from the delegates**  
  
*A young boy with a rare vascular tumor and several somatic mutations*  
  
Maria Gunnes, Haukeland University Hospital  
  
*Surprising Differential Diagnosis of a pyogenic granuloma*  
  
Susanne von der Heydt, Universitätsklinikum Halle
- 12.40 – 12.55    **Update on the management of intra-abdominal lymphatic malformations**  
  
Hanna Hyvönen, MD, PhD, New Childrens Hospital, Department of Pediatric Surgery, Helsinki University Hospital.
- 13.00 - 14.00    **Lunch**
- 14.00-17.00    **Lymphatic anomalies, chair Pär Gärwins**
- 14.00 - 15.00    **Complex lymphatic malformations and their treatment.**  
  
Kiersten W Ricci (MD, PhD), Ass. Professor, Senior Consultant, Department of Pediatrics, Cincinnati Childrens Hospital, University of Cincinnati, Ohio, US. Clinical Director, Hemangioma & Vascular Malformation Program
- 15.00 - 15.30    **Lymphatic cases from the delegates**  
  
*Kaposiform Lymphangiomatosis (KLA) with a molecular diagnosis amenable to treatment*  
  
Ingvild Heier, Oslo University Hospital

*A lymphatic malformation with happy ending following surgical intervention.*

Therese Halvorsen Bjark, Oslo University Hospital

15.30 - 15.45 Coffee break

15.45 - 16.30 **Surgical treatment lymphatic malformations, lymphovenous anastomosis.**

Guido Giacalone (MD, PhD) Senior Consultant, Lymfecentrum, Vascular and Lymphatic surgery, AZ Sint Maarten Hospital; Mechelen, Belgium.

16.30 - 17.00 **Cases on central conducting lymphatic anomaly from the delegates**

*The use of a nuclear medicine technique to trace the origin of a lymphatic leak.*

Pär Gerwins, Uppsala University Hospital.

*Initial experience using surgical lympho-venous anastomosis in a patient with central conducting lymphatic anomaly*

Pär Gerwins, Uppsala University Hospital.

17.00 - 19.00 Relax and prepare for Dinner. Hopefully the temperature in the Oslo fjord is still above 15 C and suitable for a bath. Outdoor sauna available.

19.00 Welcome drink in the restaurant

19.30 Dinner

## **Tuesday September 27<sup>th</sup>**

09.00 – 11.00 **PIK3CA –related overgrowth syndromes. Chair Inger-Lise Mero**

09.00 - 09.45 **PIK3CA –related overgrowth syndromes.** Recommendations for management.

Sofia Douzgou Houge (MD, PhD, FRCP) Senior Consultant, Department of Medical Genetics, Haukeland University Hospital, Bergen, Norway.

Honorary Senior Lecturer, Division of Evolution, Infection and Genomics, School of Biological Sciences, Faculty of Biology, Medicines and Health, University of Manchester, United Kingdom. Digital Health WP5 Lead, ERN-ITHACA

09.45 - 10.15 **The Alpelisib study EPIK-2**

Ingvild Heier (MD, PhD), Senior Consultant, Department of Pediatric hematology and oncology, Oslo University hospital Rikshospitalet

10.15 - 11.00 **Cases from the delegates**

*Can liquid biopsy replace affected tissue biopsy in diagnostics of PROS and other mosaic disorders?*

Sofia Frisk, Karolinska University Hospital

*Diagnostic challenges in PROS*

Ingvild Heier and Marte Kirkevold, Oslo University Hospital

- 11.00 - 11.20 Coffee break
- 11.20 - 13.00 **NEWS from the World and Venous malformations, Chair Kristiina Kyrklund, Helsinki**
- 11.20 - 11.45 **News from the ISSVA meeting in Vancouver, May 2022.**  
Pär Gerwins (MD, PhD) Professor, Senior Consultant, Department of Interventional Radiology, Uppsala University Hospital.
- 11.45 – 12.15 **FAVA (Fibro Adipose Vascular Anomalies) and venous malformations**  
Pär Gerwins (MD, PhD) Professor, Senior Consultant, Department of Interventional Radiology, Uppsala University Hospital.
- 12.15 - 13.00 **Patient Cases from the delegates**  
*Vascular malformation in cavum oris, hypopharynx and endolarynx in a 2 year old child.*  
Viveque Egsgaard Nielsen, Odense University Hospital  
*ACE inhibitor treatment for hypertension in a patient with a venous malformation – an interesting observation.*  
Sigurd Berger, Oslo University Hospital
- 13.00 - 14.00 Lunch
- 14.00 -14.20 **Clinical signs in periorbital vascular anomalies**  
Eva Dafgård Kopp (MD, PhD) Ass. Professor, Senior Consultant, Oculoplastic and Orbital Surgeon, Stockholm
- 14.20 - 14.50 **Arteriovenous malformations, an overview**  
Rune Andersen (MD), Senior Consultant, Interventional Radiology, Oslo University Hospital  
Inger-Lise Mero (MD, PhD), Consultant, Clinical Genetics, Oslo University Hospital
- 14.50 – 15.30 **Patient cases from the delegates**  
*AVM of the upper arm. Are we doing the right thing.*  
Susanne Frevet, Rigshospitalet København
- LAST MINUTE ABSTRACT – ROOM FOR YOUR BEST CASE ?**
- 15.30 Adjourn

Case presentations have 15 minutes: presentation approximately 5 minutes, then 10 minutes discussion. Please send in titles and a short abstract to explain for us what you want to highlight and what you want to have answered to: Inger-Lise Mero [UXWMIN@ous-hf.no](mailto:UXWMIN@ous-hf.no) and [randerse@ous-hf.no](mailto:randerse@ous-hf.no)

The local organizing committee is looking forward to welcoming you at Holmen Fjordhotell.

*Sigurd Berger   Inger-Lise Mero   Ingvild Heier   Maria Vatne   Rune Andersen*
